

Chemistry Department Graduate Course Evaluation

Course Number: _____ **Instructor:** _____

Please indicate your views on the following aspects of the course. If you need more space please use the back or attach additional pages. The instructor will not read the comments until after final grades are assigned.

Lectures: Please indicate your views on the presentation and organization of the lectures. Were the lectures clear and questions adequately answered? Was the subject matter of the course well organized? Was the instructor accessible outside of class?

Exams: Did the exams fairly evaluate your understanding of the course material?

Homework assignments: Did the homework assignments help in your understanding of the course material? Were they relevant to the exams? Were they graded fairly?

Textbook: Please comment on the text used for the course. Was it helpful as supplemental material to the lectures? If you used texts besides the required one that you think would be useful to other students, what were they?

Please add any other comments, either positive or negative, that describe the course. Please indicate how this course could be improved.

Please check the space that best describes your situation and your opinion of the class and the instructor:

1) I am taking this class as ____ a required or ____an elective course in my degree program.

2) I would recommend this class to other students:

- agree strongly
- agree
- neither agree nor disagree
- disagree
- strongly disagree
- no opinion

3) The instructor's knowledge of the subject is:

- highly expert
- very knowledgeable
- reasonably knowledgeable
- poor
- inadequate
