Society for the Advancement of Chicanos/Hispanics and Native Americans in Science (SACNAS)

SACNAS

at THE Ohio State University

Society for Advancement of Chicanos/Hispanics and Native Americans in Science

Mission

We aim to create an inclusive support community for Underrepresented Minority STEM students to thrive on campus through the use of, developmental workshops, science outreach, as well as social and professional networks

Organization Activities

SACNAS has hosted speakers from P&G to discuss PhD hiring process and tips for success in industry. (Misael Aviles, PhD & Jose Betancourt, PhD)

Organization was mentioned during the visit of former senior policy advisor at the White House Office of Science and Technology Policy under former President Barack Obama, Dr. Knatokie Ford.
